Stella,

I would like to personally thank you and your company for the service you provided. Specifically I would like to commend Dubi Stolero who provided an excellent tour of Jerusalem that my mother, wife, and I will never forget.

My wife and I have traveled around the world and would easily rank your Jerusalem tour as one of the best we have ever participated.

I would readily recommend your services to my friends and I look forward to participating in another tour in the future.

Once again thank you for a great experience.

Ben
