Dear Rita and Basil

Just a quick note from the departure lounge before I leave to thank you both very much for the excellent meeting organisation and for your gracious hospitality. I was so pleased to have the chance to visit and a very special thanks for arranging the tour of Jerusalem yesterday. The guide Phyllis Gil-Ad was lovely and very knowledgeable and I had a terrific afternoon and evening. It was so moving to see places that I have only read about in my bible so thank you for the chance to do that. Please pass on my thanks to the company that organised the tour because Phyllis was truly first class.
