Gold CarpetTouring
Attention: Shlomi Golan

Hola, Shalom:

On behalf of the Mexican delegation on its official visit to the state of Israel from the 9th of November to the 14th, I would like to express our invaluable gratitude and recognition of its excellent job to **Mr. Shlomi Golan** on our transportation and guidance throughout our days here.

“Salomón” as we called him, was more than just our tourist guide but an amazing friend explaining the history facts that this holy land represents for many people around the world. Shlomi enjoys what he does and that is what makes him special in his new task in life which is, to pass on great knowledge to those who visit Israel. I am personally very pleased with my visit as well as the rest of the families and people from our delegation and I would really like to visit once more.

Mexican states in this visit:

- Distrito Federal
- Estado de Durango
- Estado de México
- Estado de Morelos
- Estado de Nayarit

Muchas gracias! Thank you verymuch! Toda, toda jaba!
