Subject: Greetings from Trana Labowe

Dear David and Moshe:

We are still enjoying the taste of our short but wonderful trip to Israel and beyond. I want to tell both of you how great you both were in enhancing our tours. Every place we went was new, different and exciting. Cece particularly liked the stop with Tea with Moshe. Our Havurah is particularly excited awaiting the pixs with you, David (once I get them developed and then I will send you copies), because they recall with great fondness our trip with you 23 years ago. Again, my deepest thanks for your time and explanations and the wonderful pleasure of your company. We hope to see both of you soon again.

I wish each of you and your families a very healthy, happy and sweet New Year. L'Shana Tova!! Warmest regards, Trana Labowe
