Hi Stella,

I just wanted to send you a quick note to let you know what a fabulous time we had in Isreal. We got to see so much, and everything we planned was great (even though it was a lot to do in one week!) Naftaly also was terrific - he was very knowledgeable, and he made the sightseeing very interesting. He was very accommodating and flexible, and helped us coordinate a couple of things that were not previously planned (for example, we were able to meet my cousin and her daughter in Acco, and my daughter was able to meet with her friend in Cesaria. It was really a pleasure touring with Naftaly.

Thank you again for all of your help in coordinating this special trip for us. We will always remember this as a very special holiday!

All the best,

Celine.
