Dear Dudu,

We would like to thank you personally, and all the staff of "Gold Carpet Touring" for your genuine and efficient transportation services during our workshop, "Personalized Medicine Europe: Health, Genes & Society" which took place at Tel-Aviv University on June 19-21, 2005.

Your staff has provided our workshop guests with excellent welcoming and transport services for at Ben-Gurion Airport, as well as back to the airport, and between the hotel and Tel-Aviv University during the three-day workshop. Our guests were also satisfied with the tour to Jerusalem that your company has provided prior to the workshop.

Sincerely,
